Insulin pumps

The following insulin pumps are compatible with DIABASS/DIABASS PRO (Build 19.2.0.2).

Note:

For data transfer, you need the appropriate data cable/adapter/interface as indicated by the meter manufacturer.

Data cable/adapter must be working and installed on the user's system

Name	Manufacturer
Accu-Chek Combo	Accu-Chek
Accu-Chek D-Tron	Accu-Chek
Accu-Chek H-Tron	Accu-Chek
Accu-Chek Insight	Accu-Chek
Accu-Chek Spirit	Accu-Chek
Dana R	Sooil
mylife OmniPod	Ypsomed
mylife YpsoPump	Ypsomed

CGM/FGM

The following CGM/FGM systems are compatible with DIABASS/DIABASS PRO (Build 19.2.0.2).

Note:

For data transfer, you need the appropriate data cable/adapter/interface as indicated by the meter manufacturer.

Data cable/adapter must be working and installed on the user's system

Name	Manufacturer
FreeStyle Libre	Abbott
Dexcom G4	DexCom

CGM/FGM

The following CGM/FGM systems can be imported via file import

Note:

Please import the following devices with the original software/app of the device manufacturer and generate an export file. This export file can be imported in DIABASS

Name	Manufacturer
LibreView Export	Abbott
Dexcom Clarity Export	Dexcom
Dexcom G5(CSV)	Dexcom
